Description

The Socket & See TECC10 Soft Instrument Carry Case is your ultimate companion for protecting and organising your test equipment and lead sets. This rugged case features two compartments, ensuring secure storage and easy transportation.

Effortless access is guaranteed with the large zip, allowing quick retrieval of instruments, accessories, manuals, and paperwork. The convenient carry handle ensures hassle-free on-site transportation.

Inside, a dedicated sleeve keeps manuals and paperwork safe. The case also includes a clear plastic panel for easy identification. Simply insert a label to mark the instrument it belongs to.

Invest in the TECC10 Soft Instrument Carry Case for unmatched convenience and protection. Your valuable equipment deserves the best.
